**Because of numerous requests the EPA has received in the past 2 days, we will be doing the VIDEO conferencing again, as before, from the Bracewell and Giuliani offices in Houston, Texas. We will also be using Bracewell's office in Dallas for our meeting on Nov. 30, at 1 pm Central Time. Therefore, we will have a call in phone line for those who want to conference in. The conference line phone number is: (b) (6) pin (b) (6). In addition, we will have a video conference in Houston, and we will have a meeting in Dallas for those who want to attend in person.**

**For those coming to Dallas for the meeting, you can either go directly to the offices of Bracewell and Giuliani (address below) or come to the 7th floor reception area of the EPA, and call either myself (665-7480) or Jan Johnson 665-2733 and we will escort you to the offices of Bracewell and Giuliani, which is in the same building as the Region 6 EPA offices.**

**Please send me an email informing me of how many people will attend in person, via conference line, and via video conference.**
